An Ordinance of the Township of Milton, County of DuPage, Illinois

AN ORDINANCE PROHIBITING PARKING ON POSS STREET IN MILTON TOWNSHIP

WHEREAS, the Statutes of the State of Illinois to such matters pertaining provide that local authorities, such as the Milton Township Board of Trustees, shall have the power to regulate parking on streets and highways under the jurisdiction of the Milton Township Highway Commissioner; and

WHEREAS, there exists a certain street known as "Poss Street," an east-west street intersecting with Main Street in the Village of Glen Ellyn, which is under the jurisdiction of the Milton Township Highway Commissioner; and

WHEREAS, the Milton Township Highway Commissioner has determined that it is in the best interest of the health, safety and welfare of the residents of Milton Township, particularly of the residents and businesses located on Poss Street, to prohibit parking on Poss Street; and

WHEREAS, when signs are erected giving notice thereof, no person shall park or leave standing or unattended a motor vehicle on any day except Saturdays, Sundays, and public holidays recognized by the State of Illinois, upon Poss Street; and

WHEREAS, the Milton Township Highway Commissioner shall provide reasonable notice of the restrictive parking on Poss Street by posting signs on Poss Street which shall read as follows: "NO PARKING MONDAY - FRIDAY"; and

WHEREAS, violation of this Ordinance shall result in penalty as provided herein below.

NOW, THEREFORE, BE IT ORDAINED by the Supervisor and the Board of Trustees of the Milton Township Board, DuPage County, Illinois, as follows:

Section 1. That the recitals set forth above are incorporated herein and made a part hereof.

Section 2. That it is necessary and desirable that the Milton Township Commissioner restrict parking on Poss Street on Monday through Friday.

Section 3. That the Milton Township Highway Commissioner shall provide reasonable notice of the restrictive parking on Poss Street by posting signs on this street which shall read as follows: "NO PARKING MONDAY - FRIDAY."

Section 4. Whenever any motor vehicle without driver is found parked or stopped in violation of any of the restrictions imposed by this Ordinance, the officer finding such vehicle shall take its registration number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to such vehicle a traffic citation for the driver to answer to the charge against him within ten (10) days during the hours and at a place specified in the citation.

Section 5. If a violator of the restrictions on stopping, standing or parking under this Ordinance does not appear in response to a traffic citation affixed to such motor vehicle within a period of ten (10) days, the Clerk of the Township shall send to the owner of the motor vehicle to which the traffic citation was affixed a letter informing the owner of the violation and warning that in the event such letter is disregarded for a period of ten (10) days, the fine for such violation shall increase as set forth hereinbelow, and could, after the required period of time, result in turning the matter over for collection or prosecution.

Section 6. In any prosecution of a charge for violation of this Ordinance governing the standing or parking of a vehicle, proof that the particular vehicle described in the complaint was parked in violation of such law or regulation, together with proof that the defendant named in the complaint was at the time of such parking the registered owner of such vehicle, shall constitute in evidence a prima facie presumption that the registered owner of such vehicle was the person who parked or placed such vehicle at the point where, and for the time during which such violation occurred. The foregoing stated presumption shall apply only when the procedure as prescribed herein has been followed.

(B) Whenever a law enforcement officer removes a vehicle from a street as authorized in this Section, and the officer knows or is able to ascertain from the registration records in the vehicle the name and address of the owner thereof, such officer shall immediately give or cause to be given notice in writing to such owner of the fact of such removal and the reasons therefor, and of the place to which such vehicle has been removed. In the event any such vehicle is stored in a public garage, a copy of such notice shall be given to the proprietor of such garage.

(C) Whenever a law enforcement officer removes a vehicle from a street under this Section and does not know and is not able to ascertain the name of the owner, or for any other reason is unable to give the notice to the owner as hereinbefore provided, and in the event the vehicle is not returned to the owner within a period of three (3) days, then and in that event the officer shall send or cause to be sent a written report of such removal by mail to the State Department whose duty it is to register motor vehicles, and shall file a copy of such notice with the proprietor of any public garage in which the vehicle has been removed. In the event any such vehicle is stored in a public garage, a copy of such notice shall be given to the proprietor of such garage.
